Doc: Barney family rec.

She was the daughter of a clergyman, who moved to Vermont some time after her birth. Her younger brother, born in 1824 in Shoreham, VT, was Levi Parsons Morton, Vice President of the U.S. under President Benjamin Harrison (elected in 1888); Governor of the State of New York in 1895-1897; and a financier in partnership with J. Pierpont Morgan. Other sisters and brothers were Philinda, Sophia, Amanda, Luther, Matilda, Polly, Calvin & Berter. (Source: Newspaper clipping, notice of disposition of estate of Philinda Morton.)

CHILD 1 - Mitchell Servitus "M.S." BARNEY-276

Doc: Civil War pension documents, Natl Archives; Death & Marriage Certificates; Censuses; ALPK journal; family letters; tombstone

Family history submitted by his granddaughter Margaret Ellis in letter 1994 states he was born in Jefferson Co., NY, & lived there until he moved with his parents as a small boy to Waukegan, Illinois, then to St. Paul, Minnesota in 1852, then to Wisconsin [after the Civil War] & in 1866 to Jackson County, MN. "Enlisted for Civil War in Union Army and was in Sherman's March to the Sea. Was 2nd Lieutenant. He was one of the party of surveyors who was employed by the United States Government in making the first survey of the southern tier of counties in Minnesota." [The latter could be significant in the choice of homesteads all the kings made in Wisconsin Twp.]

First marriage, to Rebecca Jane Mitchell, in 1859. (Most likely in Illinois) The 1860 US Census for Illinois, Washington Co., Tisriw(??) Twp., P.O.Osborne, p 727, Dwelling #506, Family #472 shows: Mitchell Barney, age 27, Farmer, b. NY, value of real estate $250, value of personal property $100. Living in the same household are: Rebecca Barney, 29, b. KY; Mary C.,15, b. KY;Jas. W., 12, M, b. IL; Amand E., 9, b IL; & E. , 22, M (?), b IL. (All of these are indicated as Barneys by ditto marks; not sure who they are except his wife, Rebecca.) Their daughter Juniatta was born 23 June 1860 (obviously shortly after the census was taken). Rebecca died 30 Oct 1863 at Irvington, IL.

An affadavit in his pension papers, from Jackson, Minn, 24 Dec 1883, gives his residences for the 5 years previous to his enlistment in 1861: 18 mo just previous thereto in Irvington, Ill; for balance of time just before that at St. Paul, Minn., with the exception of 6 mo at Waukegan, Ill. Occupation: Farmer.

Affadavit from 2 men who enlisted with M.S. Barney: "...in the month of September, A.D. 1861, that we all lived in the town of Irvington, county of

Washington, state of Illinois; that we all lived in one house together and worked on a farm. We were together at the aforementioned place about 8 months from that time until he enlisted....". [Unfortunately we did not record their names; they may well be 1 or 2 of the names listed on the above detailed 1860 census, living with the Barneys]

Served in army in Civil War. He enlisted for 3 years at Cairo Ill. on 10 Sept 1861. Served in Co. K, 31st Ill. Vol. Inf.. Personal description: age 28; height 5'8"; complexion sandy; hair auburn, eyes blue. Enlistment expired & he was discharged 4 Jan 1864 at Big Black, Miss. He re-enlisted in the same company immediately as a "Veteran Volunteer" & served with it until his final discharge 19 July 1865 at Louisville, Ky. Bounty paid before discharge $210; bounty still due $190.

He served as an infantry private; promoted corporal 25 June 1862; reduced to private again when returned from desertion 20 Mar 1863. Promoted to 2nd Sgt (date? probably after desertion). On 24 July 1865 was brevetted 2nd Lt., Co. K, 31st Regt, Illinois Volunteers. (Latter presumably an honorific; he had been discharged 5 days before.) Stated occupation prior to entering service was a shoemaker.

Statement from Adjutant General's Office, War Dept, 20 April 1887: "This man deserted [at Memphis] on or about 11 Feb 1863, but he returned to the service on or about 20 Mar 1863, under the President's Proclamation dated 10 March 1863, and appears to have complied with the conditions thereof....the charge of desertion no longer stands against him. The record of the fact he was absent in desertion from or about 11 Feb 1863 to on or about 20 Mar 1863 cannot, however, be expunged."

In line of duty at Atlanta, GA, on 15 July 1864 he "was sun struck and during Sherman's March to the Sea he was attacked with lumbago". He was treated "for sunstroke at hospital at Rome, GA, and for lumbago by regimental surgeon." He rejoined his Regt about Oct 1864 and accompanied it on the march to Savannah. "In or about Dec 1864 while with Regt on said march and by exposure in line of duty" he contracted lumbago that was treated only by regimental surgeon. He was also in a regimental hospital in Vicksburg, Miss., in summer 1863 & in regimental hospital at Jackson, Tenn., for rheumatism. (Cf. below for more details on latter.)

Resided from discharge until 1866 at Waukegan, Ill. His pension deposition states: "I claim pension for disease of the kidneys. Said disability was incurred at Vicksburg, Miss., in June 1863 and caused by exposure and hard fighting and marching, digging gopher holes and constant fighting and exposure to the weather and at the taking of Vicksburg [it fell 4 July 1863] I was sent home on sick furlough.....I visited my father's farm in the fall of 1865 but was sick all winter and had to walk with a cane and have chairs around the house all of which I can prove and tell the truth."

Second marriage: (Certificate in pension file). At the time of his wedding to Elisa, his residence is listed as Wawkegan(sic), Ill., occupation "farmer". Not certain as yet when or how they met. His deposition in William King's pension file [See RIN# 49] states he had known Wm. since "the summer of 1865, when he

came out of the army". In his deposition for Albert King, in that pension file [See RIN# 60] he stated he first met Albert in Aug 1865 when he was "visiting John King" . [He was undoubtedly courting Elisa]. Mitch says "he met Albert again in Oct 1865 at the same place when he (Mitch) returned". That is when he & Elisa were married. Their marriage certificate dated 15 Jan 1898 states " Married Elisa Annis King Barney 10 Oct 1865 at Adams P.O., LaGrange, WI by James B. Cooper, M.E. Minister". (see Elisa's file for Wis. doc)

They most likely lived with the senior Kings during the first year of their marriage. On May 22,1866 Antoinette records in her journal that Mitch is one of the party who "started for the West" to look for homesteads; on June 1st she writes they located homesteads "in Jackson, Jackson Co., Minn.. On Tuesday July 10, she notes that the party "left Jackson for home". (a note somewhere says they used this time to cut & gather the logs needed to build their homes when they returned in the fall.) On Tues, July 17th, 1866, after the party wearily wearily returned to Austin, Minn.,that Antoinette writes " Irve & Mitchell started for Wis". In his deposition for Albert King Mitch states he "worked with him (Albert) on his father's farm during harvest time". He next appears in Nette's journal on Tues 16th Oct, in Jackson,when she notes "Lib & Mitchell came ....All hands at work on the house". On Sun 28 Oct she notes"....Mitchell at work on his house". Meanwhile, Elisa is still in Wis. with Alice, their newly born baby. On Sat Nov 10 1866, ALPK records " Lib & Mitchell moved today....". The next day, Sunday, she notes " Rather cold. M.S., Elisa, Nelly, G[eorge] & I went to meeting.....". The Barney family is now settled in their new home.

A deposition by Wm.V. King (2 Jan 1880) states that from 1866 to 1873 he & Mitch lived on adjoining farms [in Wisconsin Twp.]; from 1873 to 1878 "we both lived in Jackson near each other....Since last date have lived 11 miles from each other." Was an early postal service worker in Jackson area. His obituary says he "retired in 1885."

"Declaration for the increase of an invalid pension" from Jackson, Minn. 23 Aug 1887 stated "...totally disabled from performing any manual labor--mind affected by reason of sunstroke so as to incapacitate me from transacting business". Similar document 8 Feb 1888 stated "...the sunstroke unfits me mentally for performing or transacting business, by reason of being rendered at times insane, totally unconscious of what I was doing." Statement 5 July 1881 from Jackson stated "...that Dr. Million treated me in 1862 at camp hospital, Jackson, Tenn., for diarrhea;...that in 1863 I was treated by Dr. Whitnell for flux [diarrhea] and was sent home on sick furlough..."

Pension was granted (Cert. 228-590) for lumbago, cephalalgia [head pain] & vertigo the results of sunstroke: $6/mo from 20 July 1865; $8/mo from 31 July 1882; $16/mo from 10 Feb 1886. According to his deposition for the pension application for Wm. V. King in Feb. 1894, he had "no occupation for 8 or 9 years". P.O. address listed at that time was Jackson, Minn.

In 1898 he declared his living children to be: Juniatta R. b 23 June 1860; Alice L. b 31 Aug 1866; Clara L. b 9 Oct 1868; Nellie H. b 8 May 1872; Maude E.A. b 23 Dec 1875; Antoinette G. b 16 Jan 1879.

At the time he applied for his increased pension (24 Sept 1908) he lived in

Owatonna, Steele Co., Minn. [with daughter Nellie] & claimed to be totally incapacitated. (Note in his handwriting 26 April 1906 stated he left Kansas City, KS & had gone for an extended visit to his daughter in Owatonna). In 1906 he had lived in Kansas City, Wyandotte Co., KS [with daughter Clara]; in 1903 in Columbus, Cherokee Co., KS; in 1900 in Jackson, Minn.

Living children he declared 16 Mar 1915: Mrs. Alice Smith, Mansfield, PA; Mrs. Clara L. Bushnell, Kansas City, KS; Mrs. Nellie St. Clair, Owatonna, MN; Mrs. Maude E. Ellis, Rock Valley, IA; Mrs. Antoinette G. Nichelson, Burlington, WY; Mrs. Juniatta Robinson, Superior, WI. He stated that his wife, Elisabeth A. Barney, died at LaGrange, WI, 1 May 1900.

At the time of his death he was living at 1929 7th Ave., Greeley, Colo. with Mrs. Maude E.A. Ellis.

Though neither of them died in Jackson, he and Eliza are buried there next to their dear life companions William and Antoinette. Their tombstone says " He gives His beloved sleep" . They certainly earned it. (Photos of gravesite in King file)

MARRIAGE (Continued)

Mitch wrote a detailed account of how he & Eliza met in a Civil War pension deposition he made for her brother, Albert King, he said, "I became acquainted with him (Albert) ..in the fall of 1865..in Walworth Co., Wis.....I had just returned fron the service myself and went up there to visit a nephew of mine and became acquainted with King and his sister who I afterward married. I was living in Waukegan at the time and upon this visit I remained a couple of weeks and then returned home but in a couple of months or so I returned and married my wife and took her to Waukeegan."

At the time of his wedding to Eliza King , his residence was listed as" Wawkegan "(sic), Ill., occupation "farmer".

HUSBAND - Mitchell Servitus "M.S." BARNEY

Family history submitted by his granddaughter Margaret Ellis in a 1994 letter states he was born in Jefferson Co.,NY, & lived there until he moved with his parents as a small boy to Waukegan, Illinois, then to St. Paul, Minnesota in 1852.

His family were very early immigrants to America, the first Barney arriving in New England in 1634. There were many distinguished Barney descendants, most notably Commodore Joshua Barney. Alice Barney Smith recorded in her log book "Commodore Barney (a cousin to M.S.Barney), was in war. He was only 15 years old. Commodore Barney was made a Lieutenant when but 16 years old for gallant conduct in capturing a British vessel. He was taken prisoner 3 times in the Revolutionary War." [See Barney file for further details]

An affadavit in his pension papers, from Jackson, Minn, 24 Dec 1883, listed M.S. residences for the 5 years previous to his enlistment in 1861: "18 mo just previous thereto in Irvington,Ill; for balance of time just before that at St. Paul, Minn., with the exception of 6 mo at Waukegan, Ill. Occupation: Farmer."

Affadavit from two men who enlisted with M.S. Barney: "...in the month of September, A.D. 1861, that we all lived in the town of Irvington, county of Washington, state of Illinois; that we all lived in one house together and worked on a farm. We were together at the aforementioned place about 8 months from that time until he enlisted....". [Unfortunately RKF did not record their names; they may well be 1 or 2 of the namesisted on the above detailed 1860 census, living with the Barneys]

Served in army in Civil War. He enlisted for 3 years at Cairo Ill. on 10 Sept 1861. Served in Co. K, 31st Ill. Vol. Infantry. Personal description: age 28; height 5'8"; complexion sandy; hair auburn, eyes blue. Enlistment expired & he was discharged 4 Jan 1864 at Big Black, Miss. He re-enlisted in the same company immediately as a "Veteran Volunteer" & served with it until his final

discharge 19 July 1865 at Louisville, Ky. Bounty paid before discharge $210; bounty still due $190.

He served as an infantry private; promoted corporal 25 June 1862; reduced to private again when returned from desertion 20 Mar 1863. Promoted to 2nd Sgt (date? probably after desertion). On 24 July 1865 was brevetted 2nd Lt., Co. K, 31st Regt, Illinois Volunteers. (Latter presumably an honorific; he had been discharged 5 days before.) Stated occupation prior to entering service was a shoemaker.

Statement from Adjutant General's Office, War Dept, 20 April 1887: "This man deserted [at Memphis] on or about 11 Feb 1863,but he returned to the service on or about 20 Mar 1863, under the President's Proclamation dated 10 March 1863, and appearsto have complied with the conditions thereof....the charge ofdesertion no longer stands against him. The record of the fact he was absent in desertion from or about 11 Feb 1863 to on or about 20 Mar 1863 cannot, however, be expunged."
[Editor's Note: One wonders whether this was related to his wife's illness. We know she died in October of that year.]

In line of duty at Atlanta, GA, on 15 July 1864 he "was sunstruck and during Sherman's March to the Sea he was attacked with lumbago". He was treated "for sunstroke at hospital at Rome, GA, and for lumbago by regimental surgeon." He rejoined his Regt about Oct 1864 and accompanied it on the march to Savannah. "In or about Dec 1864 while with Regt on said march and by exposure in line of duty" he contracted lumbago that was treated only by regimental surgeon. He was also in a regimental hospital in Vicksburg, Miss., in summer 1863 & in regimental hospital at Jackson, Tenn., for rheumatism. (Cf.below for more details on latter.)

Resided from discharge until 1866 at Waukegan, Ill. His pension deposition states: "I claim pension for disease of the kidneys. Said disability was incurred at Vicksburg, Miss., in June 1863 and caused by exposure and hard fighting and marching, digging gopher holes and constant fighting and exposure to the weather and at the taking of Vicksburg [it fell 4 July 1863] I was sent home on sick furlough.....I visited my father's farm in the fall of 1865 but was sick all winter and had to walk with a cane and have chairs around the house all of which I can prove and tell the truth."

In his deposition for Albert King, on April 17, 1896,[see file],M.S. stated " I have been intimately acquainted with Albert D. King since the fall of 1865.....I became acquainted with him in Walworth Co. Wis. Adams was the P.O. address. I had just returned from the service myself and went up there to visit a nephew of mine and became acquainted with King and his sister who I afterwards married. I was living in Waukegan at the time and upon this visit I remained a couple of weeks and then returned home but in a couple of months or so I returned and married my wife and took her to Waukeegan."

HUSBAND - Mitchell Servitus "M.S." BARNEY (Continued)

His daughter, Alice Barney Smith, in her letter in his pension file wrote," He was one of the party of supervisors who was employed by the United States Government in making the first survey of the southern tier of counties in Minnesota." [That could be significant in the choice of homesteads all the Kings made in Wisconsin Twp.]

In the same deposition(for Albert King), Mitch went on to say "In the spring of 1866 I came to Minnesota..". On May 22,1866 Nette recorded in her journal that M.S. was one of the party who "started for the West" to look for homesteads; on June 1st she wrote they located homesteads "in Jackson, Jackson Co., Minn." On Tuesday July 10, she noted that the party "left Jackson for home". (a note somewhere says they used this time to cut & gather the logs needed to build their homes when they returned in the fall.) On Tues, July 17th, 1866, after the party wearily returned to Austin, Minn., Nette wrote "Irve & Mitchell started for Wis". [Vol. One, pg.2] In his deposition for Albert King, M.S. stated "..after I came here[Minnesota] in the spring of 1866, I returned to Wisconsin to my wife's people and harvested with them that year. [This was because Albert, the only son left at the senior King farm, was too ill to help his father.]

M.S. next appeared in Nette's journal on Tues 16th Oct 1866, in Jackson,when she noted "Lib & Mitchell came....All hands at work on the house". On Sun 28 Oct she noted "....Mitchell at work on his house". Meanwhile, Elisa, with Alice, their newborn baby, and Juna, age 5, was sharing space with Nette's family under a makeshift shelter of 12 boards. On Sat Nov 10 1866, ALPK wrote "Mitchell moved today....". The next day, Sunday, she noted " Rather cold. M.S., Elisa, Nelly, G[eorge]& I went to meeting.....". The Barney family was now settled in their new home.

A deposition by Wm.V. King (2 Jan 1880) stated that from 1866 to 1873 he & M.S. lived on adjoining farms [in Wisconsin Twp.]; from 1873 to 1878: "we both lived in Jackson near each other....Since last date have lived 11 miles from each other."

A newspaper clipping from the August 12, 1876 issue of the JACKSON REPUBLIC gave the following account " M.S. Barney is the last Jacksonian to return satisfied with home and disgusted with Kansas, Missouri, and intermediate points. Traveling two or three thousand miles to find only a day's work with grasshoppers close on his track all the way, and nothing but poor health, poor water, poor people, poor country and worse than poor society are what did the business for him." This was during the deadly years of grasshopper infestation, when many early Jackson settlers were desperately looking elsewhere. The same paper, on 13 Sept 1879, noted that "M.S. Barney is building a neat new frame house on his farm in Wisconsin Township." The grasshoppers had finally gone, and he & Eliza lived there for a number of years.

Pension was granted for lumbago, cephalalgia [head pain] &vertigo the results

of sunstroke: $6/mo from 20 July 1865; $8/mo from 31 July 1882; $16/mo from 10 Feb 1886. "Declaration for the increase of an invalid pension" from Jackson, Minn. 23 Aug 1887 stated "...totally disabled from performing any manual labor--mind affected by reason of sunstroke so as to incapacitate me from transacting business". Similar document 8 Feb 1888 stated "...the sunstroke unfits mentally for performing or transacting business, by reason of being rendered at times insane, totally unconscious of what I was doing." Statement 5 July 1881 from Jackson stated "...that Dr. Million treated me in 1862 at camp hospital, Jackson,Tenn., for diarrhea; ...that in 1863 I was treated by Dr. Whitnell for flux [diarrhea] and was sent home on sick furlough..."

In 1898 M.S. declared his living children to be: Juniatta R. b 23 June 1860; Alice L. b 31 Aug 1866; Clara L. b 9 Oct 1868; Nellie H. b 8 May 1872; Maude E.A. b 23 Dec 1875; Antoinette G.b 16 Jan 1879.

Ellis, Rock Valley, IA; Mrs. Antoinette G. Nichelson, Burlington, WY; Mrs. Juniatta Robinson, Superior, WI. He stated that his wife, Elisabeth A. Barney, died at LaGrange, WI, 1 May 1900.

The May 1st 1895 Minnesota census, shows: Barney, Mitchell S,62,M,B NY,res in state 29 yrs, in enum dist 11 yrs 3 mo; retired farmer; Elizabeth, 55, b NY; Maud,19, b. Minn; Antonitte(sic),16, b Minn. Also living with them were their daughter Clara L.,26; her husband, Jackson Bushnell,29, farmer; & their 3 children: Royal,4; Hazel C,2, & Merril (sic) Annis,1.

At the time he applied for his increased pension (24 Sept 1908) he lived in Owatonna, Steele Co., Minn. [with daughter Nellie] & claimed to be totally incapacitated. (Note in his handwriting 26 April 1906 stated he left Kansas City, KS & had gone for an extended visit to his daughter in Owatonna). In 1900 he lived in Jackson, Minnesota; in 1903 in Columbus, Cherokee Co., KS; in 1905 in Mainesburg, PA with daughter Alice, who noted in her diary "Pa does not like pennsylvania."]

In 1906 he had lived in Kansas City, Wyandotte Co., KS [with daughter Clara]. At the time of his death he was living in Greeley, Colorado, with his daughter, Maude E.A.Ellis. His body was returned to Jackson for burial.

Both he & Eliza are buried in Jackson's Riverside Cemetery next to their dear life companions William and Antoinette. [Photos of gravesite in file.]

WIFE - Elizabeth Annis (Eliza) KING

Census gave her birthplace as New York. The death date on her tombstone is 1849. In a deposition she gave for her brother William V. King's pension application, date 16 Feb 1894, her age was given as 53 years, which would make her birthdate 1810 or 1841. Most definitive is ALPK's journal entry of May 27 1880 "...Eliza B. 40 years old today."

WIFE - Elizabeth Annis (Eliza) KING (Continued)

First name probably for her paternal grandmother, Betty Brierly. Her middle name, Annis, was for her father's sister Annis, mentioned in letters her grandmother Nelly Hilton wrote to her mother & father, Hannah Hilton & John King. Usually referred to as "Eliza", she often signed her letters and always signed legal documents as "Elizabeth".

Her early schooling was most likely at the "old yellow schoolhouse" so often referred to in King-Porter family letters and diaries.

The King-Porter Family letters contain several letters she wrote to Nette, her sister-in-law, three before & two after her own marriage. Her letters are chatty, funny and affectionate. They are also articulate & written in beautiful hand writing. The family letters also include a long, interesting letter she wrote to her brother William when he was in service in the Civil War; one to Viola Porter; and several later letters to her daughters. Eliza also kept a diary from at least 1861 to 1873, years which cover her student days at Milton Academy, her brief courtship and marriage to Mitchell Servitus Barney (usually referred to as "M.S., sometimes as Mitchell) and their move to and early life in Jackson County, Minnesota.

Her marriage was preceded by what can only be characterized as a "whirlwind"courtship. In her diary she recorded her first meeting with M.S. on Sunday, August 20th 1865, when she stopped at the home of the couple she grew up caling "Uncle Ben" and "Aunt Clarissa" Cox. (They were the parents of her dear friend Julia, whom she called "Jule" and to whom she frequently referred in her diary notes while at Milton Academy) There,she wrote, she "saw Mr. Barney, Jule's uncle. He is there on a visit." Fifty-one days later, on October 10, they were married in her parents' home. (See her diaries for an extensive description of the courtship and wedding).

Immediately after their marriage, Eliza and M.S. journeyed to Waukegan, where they lived with his parents until the next summer. In his deposition for Albert, M.S. also said that he took his new wife to Waukeegan after their marriage,. In her own deposition in Albert's file, as well as in her diary,Eliza stated that she was in Waukeegan until May,1866.

In May of 1866 Eliza & M.S. returned to her father's home to help with the farm work. Pregnant with their first child, she remained in Wisconsin in May when M.S. went to Minnesota to help the King party search for homesteads. He returned to Wisconsin in July and helped with the harvest. Baby Alice arrived on August 31st, and the new parents, with Juna, M.S.'s five year-old daughter by his first marriage, joined Nette & William King & the others in Jackson on October 16, 1866.

A clipping from the Jackson County Pilot (see file) described a reunion many years later of some of the early pioneer women of Jackson. About Eliza it says "Mrs. M.S.Barney came in 1866 and commenced keeping house under twelve boards, all that could be procured at the mill in Jackson. These were set up on Section 28, Wisconsin township, and served as a residence until a log house was built. [This was with a 6 weeks old baby & a 5 year old step-daughter]. Nette,

in her journal, recorded on October 28th "....Mitchell at work on his house."

Eliza and M.S. were active participants in the development of Jackson. They were frequently mentioned in Nette's journal,including many details of their daily lives, illnesses,birth of children, etc. Her diary was in many ways her confidant and in it she often expresses her despair and sadness at the barrenness of the prairie and longing for her formenr home in Wisconsin. M.S. had jobs--for surveying and for the US mail delivery in surrounding towns that kept him away from home for long, lonely periods of time. She gloried in her babies and her children as they grew and often wrote that they were her major source of comfort. Tragically, the son M.S. yearned for arrived after five healthy daughters but died the same day. He was named for his King grandfather and his father.

She and Nette were close companions, visiting each other nearly every day. Nette also wrote in her journals of Eliza's extensive involvement in community affairs. A journal entry on Sun 29 May 1870 read "...Elder Savage organized S.S. [Sunday School] at our S. House [School House]. Eliza Barney chosen Superintendent." A newspaper clipping from the JACKSON REPUBLIC issue dated Saturday, August 12,1876, read "The gentler sex failed to exercise their newly acquired prerogative at the school meeting in this town last Saturday evening, as not one of them put in an appearance. The gentlemen present, however, were disposed to acknowledge not only the propriety of the ladies voting but to hold offices as well, and elected Mrs. M.S. Barney as Director for the ensuing year. The report of the Treasurer showed the district to be in a healthy state financially. A special tax of $220 for teachers' wages and $40 for fuel was voted. It was also voted to have school six months during the coming school year." Eliza also was frequently reported both in Nette's journals & newspaper clippings to have organized the music for funerals and other special events in Jackson.

She made numerous trips to visit her daughters & their families after their marriages--at least to see Alice in Pennsylvania, Clara in Kansas, plus many visits with daughter Nellie in either Jackson or Owatonna, MN. She also many many trips to see her family in Wisconsin all through her life. These trips were recorded in Nette's journals and in Eliza's letters.

M.S.' deposition (for Albert King) stated they were living in Jackson in 1900, but he also stated that Eliza died in LaGrange, WI. He was mistaken, as Jackson Death Records confirm her death in Jackson, as follows: Elizabeth Barney White Fem Married d May 1 1900 b May 27 1840 age 59 yr 11 mo 26 d occ-Retired b. NY State Mo Anna Hilton Fa John King b England Last res: Jackson Minn Undertaker: J L Dann Cause of death: 1) Tuberculosis bowel 2) Old age Physician: Maitland date reg June 1 1900

Eliza and M.S. Barney are buried in Jackson's Riverside Cemetery under lovely old shade trees. Their plot is directly adjacent to the plot of William & Nette King, who were not just their family, but their most trusted friends and companions. Throughout the difficult pioneer years as well as in later years these two couples helped develop Jackson as an attractive, vibrant town.

Inscribed on the Barney tombstone are the words "He gives His beloved sleep." They certainly earned it.

CHILD 1 - Alice Leadora BARNEY

From daughter Bessie's diary " My Mother, Dad, Nellie, Lillian, Irene & I went to Minnesota (Jackson) to live wuth Grandpa Barney. [This was just after Eliza King Barney's death].........came back to Penn'a 1901 Jan 25

Born at her King grandparents' home in LaGrange, she was a 6 weeks old baby when her parents moved to the new homestead in Jackson! There were no buildings on the prairie land they occupied. Records show that her family shared a shelter under "a dozen boards" with William & Antoinette King until their log home was built. This in late October & early November in Minnesota!

Her granddaughter Betty Earle Chilson wrote a lovely sketch of Alice, in which she said," Grandma Smith's pictures do not do her justice. She was a very beautiful woman, snappy dark eyes, lovely complexion, a sweet smile, but wore her hair straight back in later years, which gave her a more severe look, and I can't seem to find many pics of her........She loved to play games & tell stories and I used to love to stay with her."

Frequently mentioned in ALPK journal--playmate to Selah King. First mention is Friday Jan 11,1867: "Mitch & Elisa went to Clear Lake.....left babe with me".

First mention in the journal by name is 16 Sept 1867,"...Taking care of Alice. Elisa is going to wean her".

One other sweet reference which shows the bond between aunt & niece is recorded March 12, 1873. "......Alice [age 7] is here tonight. Selah [age 9] & her are having fine times. She is a nice little girl & he is a nice little boy. I love them both ever so much."

From her own diary, an entry dated Aug 9, 1887:" I started for Minnesota today. Orrin came to Elmira with me. I hated to leave him so bad." Her grand-daughter (Betty Earle Chilson) wrote that Alice "stayed in Minnesota until Oct 26, 1887"; also that [baby] "Bessie was weaned & learned to creep while there."

At least one other prolonged visit to Jackson is recorded in another entry from Bessie's diary:" Uncle Wm. King was Judge at Jackson (CO), Minn. for years. My grandmother Elizabeth King Barney was his secretary & book keeper at Court House where I spent many hours when I was 6 years old." [That would have been in 1892.]

CHILD 1 - Alice Leadora BARNEY (Continued)

Alice's diary entry on May 1, 1901: "My Mother died." On Oct 27, 1900 she wrote "Went to Minnesota." Her daughter Bessie expanded on that, recording in her own diary: "Oct 29, 1900, my Mother, Dad, Nellie, Lillian, Irene & I went to Jackson, Minnesota to live with Grandpa Barney. I went to High School there. We came back to Pennsylvania in Spring 1901." In another entry, Bessie wrote, " In 1900-November-Thanksgiving Day, my Mother, Dad, Nellie, Lillian, Irene, Grandpa Barney, Aunt Maud & Nette, John King & I got on Bob sleds and rode out across the prairie to Uncle Robert's home for dinner. Aunt Maud taught school near there. I was 14 years old."

Her whole family maintained close contact with Alice, visiting her frequently. ALPK journals make reference to several visits made by Eliza King Barney to visit her daughter Alice & family in PA. Also other family members visited her. Sister Maude Barney visited from 15 Aug 1895 until 26 Apr 1896. [Maud was the teacher at Robbins Hill School, where 9 year old Bessie was a student.Sister Antoinette came to visit 3 Aug 1901, went to Mansfield Normal to study music, & stayed in PA until 16 Apr 1902. Sister Nell & her husband, Will St. Clair, came from Owatonna, MN, on 28 Jul 1907 & stayed until 8 Aug. At least one other trip is recorded, in June 1913, when Alice took Laurence, at 8 years the youngest child, on a visit to her sister Nell [St. Clair] in Owatonna, visiting several other relatives at the same time, returning to PA 2 Aug 1913.

Her father, M.S. Barney, "spent a year with us in 1905", when he was 73 years old, according to Bessie Smith Chamberlin's diary. Another reference, in Alice' diary, also says "Pa does not like Pennsylvania."

She & her husband are listed in the 1900 US Census, PA, Tioga Co., Mansfield

There are two letters in the family file which she wrote to her Aunt Antoinette Porter King, one in 28 Mar 1891, the other 15 July 1892. Both are addressed Troy, Penn. She speaks of her little girl named Bessie in both letters, of her new baby girl [Nellie], not by name, in the second letter. She also talks about several of her sisters, & her lonesomeness for her family, & expresses concern for her Aunt Nettie's health.

Her father deposed in his pension application on March 16, 1915, that her address at that time was Mansfield, PA., a few miles from Mainesburg.

She [& Orrin?] lived with her daughter Bessie in Mansfield for some years, and died there.

Her birth is described in Antoinette's journal: "Friday October 9, 1868 Eliza has another little girl born this eve." Her middle name honors her Aunt Lucy, also earlier King ancestors.

She is frequently mentioned over all the years covered in both ALPK journals & in family letters.

Family records indicate she died & was buried in Kansas City.

Not certain when she & her family moved away from Jackson. In 1894 she was in Jackson; she & some of her children are mentioned in ALPK Jour.#2, to wit: on August 1, 1894, Antoinette wrote that "Clara started for Denver this morning with her three little ones." Whatever the reason for that trip, they were back in Jackson the following year, with no indication they had changed their residence:

The 1st May 1895 Minnesota census, Jackson Co, Jackson, shows them living with Clara's parents, Family #76, pg 8: Bushnell, Jackson, 29, b. Ill., res in state 10 yrs, res in emum dist 9 yrs 6 mo; Clara L., 26, b. Minn; & 3 children, Royal J, 4, Hazel, 2, & Merril (sic)Annis, 1, all b. Minn.

Later they moved to Kansas City, KS., where their sixth & last child was born. The 1920 US Census for KS, Wyandotte Co, Kansas City, shows: Bucknell (sic), Jackson, 54; Clara L., 51, b MN; Merle A., 25, b MN; Hubert M., 23, b MN; Robert H., 12, b Ks. The address was Elizabeth Ave., Kansas City.

At some point they also lived in the Ozarks, in the "southwest corner of Kansas below Springfield", and in Hollister, Missouri (this remembered by Nell & Bettee Nicholson in 1997.

Her father lived with her part of the years between her mother's & his deaths.

CHILD 3 - Nellie Hannah May BARNEY

Her birthdate is confirmed in Antoinette's journal, where she describes Nellie's birth in detail. The entry reads "Wed 8th Have been over to Elizas since yesterday. Her little babe was born yesterday forenoon. She has another little girl".

Her father's Civil War pension papers also document her birth date; also that she was living in Owatonna, Minn. 16 Mar 1915.

Wife **Elizabeth Annis (Eliza) KING**

Notes

CHILD 3 - Nellie Hannah May BARNEY (Continued)

She carried two old family names: Nellie, or Ellen, for her maternal great-grandmother Nellie Greenwood (Hilton); and Hannah for her maternal grandmother Hannah Hilton (King)

She was living at the Sunset Home in Jackson at the time of her death. Her body was taken to Owatonna for burial.

After her marriage, she & Will lived in Spring Valley, where he was a "clothingman". Four of their children were born in Nashua, Iowa. In 1902 they moved to Owatonna, Minnesota, where they lived for almost all the rest of their lives. Will was a very successful shop owner, of a number of clothing stores.

Nellie lived the last few years of her life in a nursing home in Jackson.

Attended funeral of Wm. V. King, her uncle, in 1914. (His obituary)

CHILD 4 - Maude Elizabeth Annis BARNEY

She was born before Jackson began collecting birth records. Also, her birth was between the end of Antoinette's first journal and two years before the start of the second, so there is no personal reference to her birth in the journals.

Her middle two names were in honor of her grandmother, Elizabeth (Eliza) Annis King Barney

Her ashes were brought to Jackson by her daughters, Margaret & Ruth; and interred in Riverside Cemetery with both of her husbands.

Living in Rock Valley, Iowa in 1914, according to W.V.King obituary. At that time was Mrs. F. Ellis. Documented by father living there 16 Mar 1915.

Living at 1929 7th Ave., Greeley, Colo. 6 Oct 1919, when her father died. He was living with her.[Source: her father's deposition]

Lived in Denver, CO with her daughter Margaret at time of death.[See letter in file].

CHILD 5 - Antoinette Grace BARNEY

Entry in ALPK journal Thurs. Jan 16th: "Baby Barney born this morning early". Second entry Thurs.March. 20: "Eliza says she has named the baby Antoinette after me". Paired with these is a clipping from the Saturday, January 25, 1879 issue of the JACKSON REPUBLIC, to wit: "He's a girl again over at Barney's and Barney is once more about disgusted."

Husband **Mitchell Servitus "M.S." BARNEY**

Wife **Elizabeth Annis (Eliza) KING**

Notes

CHILD 5 - Antoinette Grace BARNEY (Continued)

Note made by Betty Ekhern Cunningham, copied from note made by her mother, Mary King Ekhern Krambeck:" Nette Barney Nicholson died Oct 1966 (age 88). Only Maude Barney Ellis left of that generation--lives with daughter in Denver."

They lived on a farm in or near Burlington while they brought up their family. They eked out a living by raising all their own food, and by playing for local weddings, church services, and celebrations. Nettie also gave piano lessons. Daughters Nell & Bettee described the difficult circumstances of their childhood, yet they have very fond recollections of the love & warmth of their parents.

Her father's deposition (Civil War) deposes that she was living in Burlington, Wyoming 16 Mar 1915.

Nettie & Ray Nicholson are listed in the 1920 census for Burlington, also his parents

Grew up & attended school in Jackson, MN. There are numerous references to her in her Aunt Nettie's journal. Also photographs. (See file)

Her daughter Nell wrote that Antoinette said she cried so much when her mother (Eliza) died that her arms got numb.(probably hyperventilation). She was 21 at the time.

She is listed in the IGI 1994, Source Call No. 820209 Film. She was bapt & endowed & sealed in the Mormon rec in 1972 (see file for copy)

CHILD 6 - John Mitchell BARNEY

No evidence of his grave has yet been discovered. One strange note is that Antoinette, in her journal, makes no mention of the baby's birth & death.

Named for his grandfather, John King, & his father, this baby leaves a poignant memory because of a reference in Antoinette's journal the day Clara Lucy Barney, the third girl in the family was born. Antoinette writes " Eliza has another little girl born this morning. M.S. disappointed because it was not a boy." Two more little girls were added to this family before this boy baby made his appearance -- for just one day.

His birth & death were both recorded in the Death Register: "Barney Male 1 day, died same day Parents: M.S. & Eliza"

HUSBAND Orrin W. SMITH-299 Yr of Birth 1865
WIFE Alice Leadora BARNEY-277 Yr of Birth 1866

HUSBAND - Orrin W. SMITH-299
Doc: Family rec.

His parents were William & Rosina Smith, who lived in Jackson, MN, in 1884, where they owned a store. William Smith died 16 June 1911 in Mainesburg, PA Rosina Smith died 4 Dec 1918

Orrin & Alice met & were married in Jackson, MN., in 1885. Within the next year they moved to PA, where they bought & ran a livery stable behind the Troy Hotel. They lived there until 1895, when they moved to Mainesburg, PA, where they had a farm. (See file for photo).

Died at Dau Nellie's home on Clinton St. Mansfield (Bessie)
Salesman; Stereoptions & views

WIFE - Alice Leadora BARNEY-277
Doc: Her father's Civil War pension papers, Nat'l Archives, Washington, D.C. Family rec.; quotes from her Daybook, & that of her daughter Bessie

She was a 6 weeks old baby when her parents moved from their family home in Wisconsin to the new homestead in Jackson! There were no buildings on the prairie land they occupied. Records show that her family shared a shelter under "a dozen boards" with William & Antoinette King until their log home was built. This in late October & early November in Minnesota!

Frequently mentioned in ALPK journal--playmate to Selah King. First mention is Friday Jan 11,1867: "Mitch & Elisa went to Clear Lake.....left babe with me".

First mention in the journal by name is 16 Sept 1867,"...Taking care of Alice. Elisa is going to wean her".

One other sweet reference which shows the bond between aunt & niece is recorded March 12, 1873. "......Alice [age 7] is here tonight. Selah [age 9] & her are having fine times. She is a nice little girl & he is a nice little boy. I love them both ever so much."

She taught school somewhere in or near Jackson when she was 18 years old.

From her own diary, an entry dated Aug 9, 1887:" I started for Minnesota today. Orrin came to Elmira with me. I hated to leave him so bad." Her gr-daughter (Betty Earle Chilson) wrote that Alice "stayed in Minnesota until Oct 26, 1887"; also that [baby] "Bessie was weaned & learned to creep while there."

At least one other prolonged visit to Jackson is recorded in another entry from Bessie's diary:" Uncle Wm. King was Judge at Jackson (CO), Minn. for years. My grandmother Elizabeth King Barney was his secretary & book keeper at Court House where I spent many hours when I was 6 years old." [That would have been in 1892.]

Alice's diary entry on May 1, 1901: "My Mother died." On Oct 27, 1900 she wrote "Went to Minnesota." Her daughter Bessie expanded on that, recording in her own diary: "Oct 29, 1900, my Mother, Dad, Nellie, Lillian, Irene & I went to Jackson, Minnesota to live with Grandpa Barney. I went to High School there.

Orrin's parents —
when / And living in Jackson?

When they returned to PA? Why?

We came back to Pennsylvania in Spring 1901." In another entry, Bessie wrote, " In 1900-November-Thanksgiving Day, my Mother, Dad, Nellie, Lillian, Irene, Grandpa Barney, Aunt Maud & Nette, John King & I got on Bob sleds and rode out across the prairie to Uncle Robert's home for dinner. Aunt Maud taught school near there. I was 14 years old."

She & her husband are listed in the 1900 US Census, PA, Tioga Co., Mansfield

There are two letters in the family file which she wrote to her Aunt Antoinette Porter King, one on 28 Mar 1891, the other 15 July 1892. Both are addressed Troy, Penn. She speaks of her little girl named Bessie in both letters, of her new baby girl [Nellie], not by name, in the second letter. She also talks about several of her sisters, & her lonesomeness for her family, & expresses concern for her Aunt Nettie's health.

Letters from Eliza, Maude & Nettie

Her whole family maintained close contact with Alice, visiting her frequently. ALPK journals make reference to several visits made by Eliza King Barney to visit her daughter Alice & family in PA. Also other family members visited her. Sister Maude Barney visited from 15 Aug 1895 until 26 Apr 1896. Sister Antoinette came to visit 3 Aug 1901, went to Mansfield Normal to study music, & stayed in PA until 16 Apr 1902. Sister Nell & her husband, Will St. Clair, came from Owatonna, MN, on 28 Jul 1907 & stayed until 8 Aug. At least one other trip is recorded, in June 1913, when Alice took Laurence, at 8 years the youngest child, on a visit to her sister Nell [St. Clair] in Owatonna, visiting several other relatives at the same time, returning to PA 2 Aug 1913.

Her father, M.S. Barney, "spent a year with us in 1905", when he was 73 years old, according to Bessie Smith Chamberlin's diary. Another reference, in Alice' diary, also says "Pa does not like Pennsylvania."

Her father deposed in his pension application on March 16, 1915, that her address at that time was Mansfield, PA., a few miles from Mainesburg.

Her granddaughter Betty Earle Chilson wrote a lovely sketch of Alice [see file for letter], in which she said," Grandma Smith's pictures do not do her justice. She was a very beautiful woman, snappy dark eyes, lovely complexion, a sweet smile, but wore her hair straight back in later years, which gave her a more severe look, and I can't seem to find many pics of her........She loved to play games & tell stories and I used to love to stay with her."

In her log book, Bessie recorded that "I was born in Troy Oct 27, 1886.

Mentioned in two letters her mother wrote to Antoinette King, one in 1891; the other in 1892. In the second one she wrote, "Bessie does not grow very fast but is quite a girl after all. ALPK Journal Vol.2, entry dated Oct 27 1886: "Alice Smith's a baby girl." Later in the same note, she wrote,"Eliza gone to Penn to visit Alice."

Letter dated 18 Feb 1995 from her daughter Betty includes the following quotation from Bessie's log book "Robert & William King were my Grandma Barney's brothers. Uncle Wm. & Great Aunt Nettie lived in Jackson, Minn. for years. My grandmother Elizabeth King Barney was his secretary & book keeper at Court House where I spent many hours when I was 6 years old. [1892]

"Uncle Robert lived on prarie (sic) near Jackson, Minn. Coz Lillian kept house for him & George. In 1900-Nov.-Thanksgiving day, my Mother, Dad, Nellie, Lillian, Irene, Grandpa Barney, Aunt Maud & Nette, John King & I got on bob sleds and rode out across the prarie (sic) to Uncle Robert's home for dinner.

What they knew about Minnie

Aunt Maude taught school near there. I was 14 years old." In another entry, she recorded that she "went to High School" in Jackson at that time.

She lived with her daughter Betty in Troy from 1959 until she died after a stroke in 1984.

WIFE Clara Lucy BARNEY-278 Yr of Birth 1868

HUSBAND - Jackson E. BUSHNELL-300

Doc: Family rec.; US Census 1920

His parents were Joseph & Eleanora Bushnell. He died in 1916, she died in 1930. Both are buried in Riverside Cemetery in Jackson, next to the King plot (Wm. V & Antoinette). Buried with them is an infant identified only as "Jack Bushnell's baby, died 1899(Lot 310)

Probably born in Illinois. Family moved to Ford Co., IL in 1846, farmed there until they moved to Jackson in 1885, where his father & his brother Sherrill farmed for the remainder of their lives.

In the 1910 edition of HISTORY OF JACKSON COUNTY, he was living in Kansas City, KS. He was a street car motorman

WIFE - Clara Lucy BARNEY-278

Doc: Censuses; Father's Civil War pension documents; her birth described in ALPK journal Fri Oct 9th 1868: "Eliza has another little girl born this eve." Information about children & husband transmitted in 1994 letter from Margaret Ellis

She is frequently mentioned over all the years covered in both ALPK journals & in family letters.

Marriage: Jackson Marriage records Bk C p 41: Jackson E. Bushnell Clara L. Barney 3 Dec 1889 @ Jackson Witnesses: Nellie Barney, Jessie N. Fiddes
Also a newspaper clipping, undated: "MARRIED.- On Tuesday, Dec. 3rd, at the residence of the bride's parents in this city, Rev. Cheadle officiating, Mr. Jackson Bushnell to Miss Clara Barney, both of Jackson. The contracting parties to this happy event are well and favorably known to the people of this community, and they start out in their new relations with the best wishes of all who know them. THE PILOT acknowledges the receipt of a generous supply of excellent cake for which please accept thanks, congratulations and best wishes."

Not certain when she & her family moved away from Jackson. In 1894 she was in Jackson; she & some of her children are mentioned in ALPK Jour.#2, to wit-- on August 1, 1894, Antoinette wrote that "Clara started for Denver this morning with her three little ones." Whatever the reason for that trip, they were back in Jackson the following year, with no indication they had changed their residence:

The 1st May 1895 Minnesota census, Jackson Co, Jackson, shows them living with Clara's parents, Family #76, pg 8: Bushnell, Jackson, 29, b. Ill., res in state 10 yrs, res in emum dist 9 yrs 6 mo; Clara L., 26, b. Minn; & 3 children, Royal J, 4, Hazel, 2, & Merril (sic)Annis, i, all b. Minn.

Later they moved to Kansas City, KS., where their ~~4~~6th & last child was born. The 1920 US Census for KS, Wyandotte Co, Kansas City, shows: Bucknell (sic), Jackson, 54; Clara L., 51, b MN; Merle A., 25, b MN; Hubert M., 23, b MN; Robert H., 12, b Ks. The address was Elizabeth Ave., Kansas City.

HUSBAND Jackson E. BUSHNELL-300 Yr of Birth 1866
WIFE Clara Lucy BARNEY-278 Yr of Birth 1868

At some point they also lived in the Ozarks, in the "southwest corner of Kansas below Springfield", and in Hollister, Missouri (this remembered by Nell & Bettee Nicholson in 1997.

Her father lived with her part of the years between her mother's & his deaths.

However, the vital racords for births in Jackson County, record her birth there on Oct 22, 1892. Also, she is shown on 2 censuses(1895 & 1920; see Mother's FGR) born in Minnesota.

Mentioned in ALPK journal, 26 July 1894, "...little Hazel Bushnell is here". She was 21 months old.

Her parents seem to have moved to Kansas City when she was quite small, and she grew up there.

At the time of his marriage to Nellie, he was working in a clothing store in Spring Valley, in Fillmore Co,far southeast corner of MN; later they moved to Nashua, Chickasaw Co., the northeast corner of IA, living there about 6 or 7 years. Finally they moved to Owatonna, MN, and remained there the rest of their lives.

St. Clair, Tuesday afternoon, February tenth at half past two o'clock, Jackson, Minnesota, 1891. ALPK documented the wedding, in her journal, first with an entry the day before the ceremony: "Mon 9 Still storming. Made kisses for Nellie's wedding." Then, the next day:"Tues 10 Quite pleasant but walking bad. Will [her son--Nellie's cousin] came from Windom. Was not in time for the ceremony but not too late for dinner. Had a terrible time getting here the snow being so deep & no roads broke. Nellie Barney was married this P.M. at 2 oclock to Will St. Claire & gone to her new home in Spring Valley where her husband is clerking in a clothing store. The wedding passed off very pleasantly & she was kindly remembered by many friends. Nellie Davies [Antoinette's daughter] came last eve to attend the wedding."

Notes from telephone conversation 11 May 1995: She volunteered that she had "had a fabulous life". Attended Carleton College for 2 years, then in 1917 attended U Minn., probably graduated from there. Then took a business course because "Mother thought it was important". Moved to Canada in about 1930. She was married twice, to two brothers, both of them now dead. She has two sons & had 4 grandchildren. One grandson just died at the age of 30. She volunteered that she had 4 miscarriages between the births of her sons, & that had been very difficult.

She talked a lot about the fact that her mother joined the DAR very early (through the St.Clair family line & possibly also the Barneys). Dorothy & her sisters Gertrude & Mertice also were members. She said they also belonged to an even earlier order, "Daughters of...." but couldn't remember what that was. She said the Barneys were among the first settlers at Jamestown, VA.

One of her relatives was married to Sir William ...., who was the organist at Westminster Abbey. Through them, she was presented to the Queen Mother Elizabeth & to Queen Elizabeth.

She talked a lot about the Barneys, some of whom are buried near Guilford

Center in lower VT. One of them was a Capt. John Barney. She visited the site once when attending the Marlborough Festival. She wrote a very amusing essay about that visit (copy in file courtesy of Meredith St.Clair Lusby.) She didn't recognize the names of any of her Barney cousins that I mentioned--Nell McEachron, for instance. However she does know Louise King Snyder, & spoke of driving her mother to Jackson to visit Uncle John & Aunt Lillian King when she & Louise were both young. She said they talk on the phone occasionally & exchange notes at Christmas.

Her health is very poor & she said that she is at present under the care of a physician. She said she couldn't have anything like a possible visit from us on her mind just now, but that she was gathering information to send me. She mentioned that she had a photograph of John King & George--I am quite sure she meant the first John King & his son George--that she would send me. I offered to send her copies of several things I have related to her mother, but she was not interested. I had the feeling she was tired, so I ended the conversation as quickly as I could. She sounds like quite a lady indeed and I hope I get a chance to meet her, or at least to have access to her family materials.

Subject: Fw: Hi cousins...more St. Clair info

Ruth have you seen this? Thought you might get a kick out of it....Debby

This is the autobiography of William F. St. Clair...father of Robert, William, Gertrude, Mertice, Leona and Dorothy....written May 15, 1933.

(This letter was edited by Meredith St. Clair Lusby so as to clear up some of the sentence structure. In a few places I could not read the handwriting.)

I was born in a tenement house in Westbrook, Maine on May 28, 1868, the son of Isaac Page and Ruth Ann St. Clair...ten years after the birth of my only sister, Anna. At the age of 6 months, we moved to Chicago where my father, a soldier of the Civil War, worked at his trade of carpentry...there and elsewhere...finally becoming a Chicago policeman.

I attended school there from the age of six until I was 13 years old...and just into the 7th grade. At the age of 8 years., my father left us, went to Arizona on a crazy colonization scheme and never returned to his family. Attaining the age of 13, I became restless...wanted to earn money, and against the wishes of my mother and sister, I went to work for the C.M. (looks like railway co.) in the Commercial Agent's Office at 55 Clark St. where I received $15.00 per month and carfare.

I had my first money earning job, however, at the age of 12 years when during the summer vacation, I worked 2 months at $2.00 per week for Stuart & Stuart, a stationery firm on Madison St.....directly opposite MacVickers (?) Theatre. I, also, in those younger years peddled the Chicago Daily News and was so doing at the time of Garfield's assassination...when the night penny papers sold at from 5 to 25 cents because men were so crazy to get the news.

At the age of 14 while working for the railroad, I contracted a bad case of inflammation of the lungs with the net result that after about a year of severe colds and set-backs, I was ordered ouf ot the city of Chicago. Luckily for me, I was able to go to Minnesota, and out in Spring Valley, I spent 2 years in herding cattle and doing all kinds of farm work. This was a very fortunate experience for me (altho' at the time I did not think so) as it gave me the foundation experiences that fitted me so wonderfully for handling farm trade...as I have always understood the farmer's viewpoint since........!

After a lonesome season herding cattle, 16 miles south of Spring Valley for M. B.

Hutchinson, I secured a job 3 miles west of town. Mother, sister and brother-in-law came out from Chicago settling in Spring Valley which made it possible for me to come to town at 16 yrs. of agel and get a winter schooling. Afterwards clerking in various businesses in Spring Valley....

After 2 plus years, I went to Jackson to work for M. B. Hutchinson. After a fall, winter and early spring there...where I met my fate in Nellie H. Barney....I returned to Spring Valley to see the folks and went work for John Leuthold (men's clothing) at $35.00 per month. I was in his employ most of the time for 7 years. In 1891, Feb. 10, I was married to Nellie Barney (our grandmother) in Jackson at the age of 22.

Soon after this I developed the farming fever so we moved out onto the Creamery 40...a mile west of Spring Valley. This venture, naturally, was an indifferent success through lack of capital, etc.....although it was good for my health. During this experience I traded our little house in Spring Valley for 40 acres out in Bernington Township and traded that 40 in toward the Creamery 40 with the net result that when we quit farming, I sold the Creamery 40 for a profit of $10 per acre and had $1100 to invest in business. After looking around considerably, I selected Nashua, Iowa, as a likely place in which to start up a clothing store with John Leuthold. This occurred in the early spring of 1894 at the age of 25 years.

During our nine years of living at Nashua...five of our children were born...Mertice, Leona, Robert, Dorothy, William. (Grace the oldest was born in Jackson and died as a baby.) In 1902 I became dissatisfied with the outlook and conditions at Nashua, Iowa and went out to Dickinson, N.D. with a friend to look at land. I bought a section with a down payment of $50.00....filed on a Homestead Claim. I returned to Nashua with the firm intention of moving to Dickinson and selling clothing there. The opport5unity was real at that time, but could not get a store room. However, we did buy a house there and intended to move out there anyway.

But the situation at the Owatonna, Minn. store was such that new blood was needed in the management with the result that all plans to go to Dickinson never happened. We landed in Owatonna in Feb. 1903 and I started the battle for ascendancy in the clothing business at the age of 34. Henry Leuthold being my partner at Owatonna at this time, but within 2 years, at my insistence, his brothers Jacob, John and Charles relieved him of his interest and have been my partners here up to this time. (1933)

Things then ran along profitably for several years at Owatonna. During this time Gertrude and Edward were born to us. Through this time of heavy responsibilities and hard work on the part of both my wife, Nellie, and me....I decided at the age of about 40 years that I would keep practically all my investments in the clothing business and own an interest in a string of clothing stores (men's clothing). That ambition has been realized with more or less success and satisfation. Fortunately during all these years of struggle, both my wife and I have enjoyed the best of

Hutchinson, I secured a job 3 miles west of town. Mother, sister and brother-in-law came out from Chicago settling in Spring Valley which made it possible for me to come to town at 16 yrs. of age) and get a winter schooling. Afterwards clerking in various businesses in Spring Valley....

After 2 plus years, I went to Jackson to work for M. B. Hutchinson. After a fall, winter and early spring there...where I met my fate in Nellie H. Barney....I returned to Spring Valley to see the folks and went work for John Leuthold (men's clothing) at $35.00 per month. I was in his employ most of the time for 7 years. In 1891, Feb. 10, I was married to Nellie Barney (our grandmother) in Jackson at the age of 22.

Soon after this I developed the farming fever so we moved out onto the Creamery 40...a mile west of Spring Valley. This venture, naturally, was an indifferent success through lack of capital, etc....although it was good for my health. During this experience I traded our little house in Spring Valley for 40 acres out in Bemington Township and traded that 40 in toward the Creamery 40 with the net result that when we quit farming, I sold the Creamery 40 for a profit of $10 per acre and had $1100 to invest in business. After looking around considerably, I selected Nashua, Iowa, as a likely place in which to start up a clothing store with John Leuthold. This occurred in the early spring of 1894 at the age of 25 years.

During our nine years of living at Nashua...five of our children were born...Mertice, Leona, Robert, Dorothy, William. (Grace the oldest was born in Jackson and died as a baby.) In 1902 I became dissatisfied with the outlook and conditions at Nashua, Iowa and went out to Dickinson, N.D. with a friend to look at land. I bought a section with a down payment of $50.00....filed on a Homestead Claim. I returned to Nashua with the firm intention of moving to Dickinson and selling clothing there. Fortunately during all these years of struggle, both my wife and I have enjoyed the best of health and working together, have brought up the children to be honorable, agreeable and able to stand on their own.

At the age of 16 years, I joined the Congregational Church at Spring Valley, Minn. and have always continued my membership...as the one restraining influence of my life. (It seems) that one cannot consistently do things unbecoming to a gentleman and continue membership in the church in justice to one's conscience.

Also became in the following order: a member of the Modern Woodman, Knights of Pythias--I.O.O.F., the U.C.T., A.F.& A.M. and the Elks. All of these orders through their teachings help a man to be a decent law-abiding citizen of the good old U.S.A.!!

She was born between the end of ALPK's first journal and two years before the start of the second, so therefore there is no personal reference to her in the journals.

She was a charter member of the Jackson Chapter of the Eastern Star, Chapter # 142, and was honored as one of five living charter members at a 50th anniversary celebration in Jackson in 1950.

Married twice: First to Dr. Burr Ellis, had 3 children; then to his older brother Fred, had 1 daughter. [Brothers were from Rock Valley, Iowa] Family lore (a la Bette & Nell Nicholson, as told them by their mother, Nettie Barney) holds that Burr, dying of consumption, insisted that Maud marry his brother Fred for security.

Living in Rock Valley, Iowa in 1914, according to W.V.King obituary. At that time was Mrs. F. Ellis. Documented by father living there 16 Mar 1915.

Living at 1929 7th Ave., Greeley, Colo. 6 Oct 1919, when her father died. He was living with her.[Source: her father's deposition]

an administrative assistant for the Department of Forestry. She spent most of the rest of her gov't. service in Fort Collins & Denver, CO. Took optional retirement in 1964.

Enjoyed travel. As national treasurer for Theta Sigma Epsilon (later merged with Alpha Gamma Delta), traveled all over the country and to many parts of the world. As treasurer she inspected local chapters, then wrote detailed reports on their status. As a recreational traveler she has visited Eurpoe, Canada, New Zealand, Australia and Hawaii. One of her fondest memories was attending a Passion Play in Obergammergu, Germany.

In 1981 she moved to California to be nearer her family. She lived near Sacramento in Greenhaven, a retirement home for "sprightly seniors". She was their unofficial librarian and enjoyed playing cards.

She was a prime information source for RKF in finding "lost" cousins, & was extremely helpful and supportive during the search.

Death/Burial: Her nephew, Stanley Dorsett, reported by phone that she died peacefully, apparently at the retirement home, that she was cremated & that he brought her ashes to Jackson to be buried next to her parents.

WIFE Antoinette Grace BARNEY-281 Yr of Birth 1879

HUSBAND - Ray NICHOLSON-302

Doc: Family rec.; 1920 US Census WY,Big Horn CO, Elec. Dist #2 (copy in file)

According to the census, his parents were Frank & Eva Nicholson. He was b. in Illinois; she b. Indiana. His FA b. England, his MO b. NY; her FA & MO were both b. Ohio.

His Nicholson grandfather immigrated from Lancashire. His daughter Nell has her great-grandfather's naturalization papers.

His father trained sulkey horses in Indiana and was very successful.

He & his parents migrated to Wyoming from Indiana and homesteaded there in the town of Otto. They were flooded out , then homesteaded in Burlington. Their land was rocky & hilly & proved impossible for crops; they then raised a herd of 300 sheep. Ray's mother would feed people coming by on cattle drives. They were living on the same farm with Ray & Antoinette at the time of the 1920 census.

He farmed for many years, raising cows, sheep, goats, chickens, turkeys, geese, all kinds of garden produce and fruits. The farm was not very productive, but allowed the family to be self-sustaining. He even grew a walnut tree from a seed.

He was a musician and had some formal training in Chicago. He played the violin, according to his daughter Nell "rather well". He & his wife played for many community groups at churches, socials, programs & dances.

WIFE - Antoinette Grace BARNEY-281

Doc: Family rec., Father's Civil War pension documents; Holo.Geneal ALPK; ALPK journal; 1920 US Census WY Big Horn CO Elec. Dist #2 (copy in file)

Entry in ALPK journal Thurs. Jan 16th: "Baby Barney born this morning early". Second entry Thurs. ~~Feb.~~ Mar 20: "Eliza says she has named the baby Antoinette after me". Paired with these is a clipping from the Saturday, January 25, 1879 issue of the JACKSON REPUBLIC, to wit: "He's a girl again over at Barney's and Barney is once more about disgusted."

Grew up & attended school in Jackson, MN. There are numerous references to her in her Aunt Nettie's journal. Also photographs. (See file)

Her daughter wrote that Antoinette said she cried so much when her mother (Eliza) died that her arms got numb.(probably hyperventilation). She was 21 at the time.

In the 1905 Minnesota census, she was living with her aunt & uncle, Robert & Minnie King, age 25, occupation Teacher.

She taught school for a number of years in the vicinity of Jackson. Some time before 1911, she applied for a school at Burlington, Wyoming, and was accepted. Her daughter Nell wrote that "everyone she knew back East thought she was

HUSBAND Ray NICHOLSON-302 Yr of Birth 1884
WIFE Antoinette Grace BARNEY-281 Yr of Birth 1879

coming to a section of the country where savages scalped the natives, and law and order was never heard of." There she met and married Ray Nicholson. They lived on a farm in or near Burlington while they brought up their family.

She was a musician, and earned a lot of extra money for her family by giving piano lessons. She & Ray, her husband, made a great contribution to their community by playing for socials, churches, programs and dances. Her daughter Nell wrote They were neither Mormon or Baptist (the only two churches in the community), so they divided their services to both, and to many community affairs. In those days accomplished musucians were few and far between."

Her father's deposition (Civil War) deposes that she was living in Burlington, Wyoming 16 Mar 1915.

Note made by Betty Ekhern Cunningham, copied from note made by her mother, Mary King Ekhern Krambeck:" Nette Barney Nicholson died Oct 1966 (age 88). Only Maude Barney Ellis left of that generation--lives with daughter in Denver."

She is listed in the IGI 1994 Ed, Batch 7204723 Sheet 50, Source Call No. 820209 Film. She was bapt & endowed & sealed in the Mormon rec in 1972 (see file for copy)

CHILD 1 - Raymond NICHOLSON-5189

Doc: Family rec. Letter from his younger sister Nell states that she never knew him, as he died at 3 1/2 after being kicked by a horse (a year before she was born), and his death was "one of the great tragedies of my mother's life".

CHILD 2 - Kenneth Mitchell NICHOLSON-5190

Doc: Family rec.

Middle name for his maternal grandfather Mitchell S. Barney

Married for a few months, then divorced. No children

CHILD 3 - Nell Eva Annis NICHOLSON-5191

Doc: Family rec.

Originally named Nellie. Prefers to be called "Nell"

Carries two King family names: Nell/Nellie/Ellen extends back at least as far as the sister of her great-grandmother, Nellie Greenwood Hilton (RIN# 182); Each generation of Kings since Hannah Hilton (Nellie's daughter) married John King has had at least one Ellen or Nell: Ellen M. King Porter Baird, daughter of John & Hannah, usually called Nellie; Nellie Barney, daughter of Eliza King & M.S. Barney; Nellie King Kelly Hart, daughter of Willie P. & Mary King; Nell McEachron, daughter of Antoinette Barney & Ray Nicholson; Nellie Rosina Smith, daughter of Alice Barney & Orrin Smith and Ruth Ellen King, daughter of George & Rena King, to name just a few.

Annis or Annes King (RIN#1124) was the sister of her great-grandfather, John King. [This is documented in a letter from Nellie Greenwood Hilton, mother of John's wife Hannah]. Nell's grandmother, Elizabeth Annis King, was no doubt

HUSBAND Ray NICHOLSON-302 Yr of Birth 1884
WIFE Antoinette Grace BARNEY-281 Yr of Birth 1879

named for that aunt. Nell in turn was no doubt given the name in tribute to her grandmother. Others with the name: Merle Annis Bushnell, daughter of Clara Barney & Jackson Bushnell; Annis Marie Smith, grandddaughter of Alice Barney & Orrin Smith.

In telephone conversation on 23 Feb 1995, she related that she remembers her grandfather, M.S. Barney, and likes to recount that she actually sat on the knee of a veteran of the Civil War. She was three years old when he died.

She is an accomplished pianist, and over the years had "what seems to be hundreds of piano students." Currently plays for the Senior Citizens and with friends for amusement. She says she also "fiddles" a little, and has been known to thump the string bass.

Her interests include doing watercolors, reading, crossword puzzles, hunting arrowheads, playing bridge and gardening.

In her log book, Bessie recorded that "I was born in Troy Oct 27, 1886.

Mentioned in two letters her mother wrote to Antoinette King, one in 1891; the other in 1892. In the second one she wrote, "Bessie does not grow very fast but is quite a girl after all. She goes to Presbyterian Sabb[ath School] alone. I don't know whether I will send her to school this coming school year or not. I think not for she is so full of mischief I'm afraid she'd get in trouble with the school ma'am."

ALPK Journal Vol.2, entry dated Oct 27 1886: "Alice Smith's a baby girl." Later in the same note, she wrote,"Eliza gone to Penn to visit Alice."

Letter dated 18 Feb 1995 from her daughter Betty includes the following quotation from Bessie's log book "Robert & William King were my Grandma Barney's brothers. Uncle Wm. & Great Aunt Nettie lived in Jackson, Minn. for years. My grandmother Elizabeth King Barney was his secretary & book keeper at Court House where I spent many hours when I was 6 years old. [1892]

"Uncle Robert lived on prarie (sic) near Jackson, Minn. Coz Lillian kept house for him & George. In 1900-Nov.-Thanksgiving day, my Mother, Dad, Nellie, Lillian, Irene, Grandpa Barney, Aunt Maud & Nette, John King & I got on bob sleds and rode out across the prarie (sic) to Uncle Robert's home for dinner.

Aunt Maude taught school near there. I was 14 years old." In another entry, she recorded that she "went to High School" in Jackson at that time.

Called "Aunt Do-do by her niece, Meredith.

Lives in Ottawa, Ontario. Current address: Mrs. Howard I. Ross, 503-111 Wurtemburg St., Ottawa, ON, KIN 8 MI, Canada

Notes from telephone conversation 11 May 1995: She volunteered that she had "had a fabulous life". Attended Carleton College for 2 years, then in 1917 attended U Minn., probably graduated from there. Then took a business course because "Mother thought it was important". Moved to Canada in about 1930. She was married twice, to two brothers, both of them now dead. She has two sons & had 4 grandchildren. One grandson just died at the age of 30. She volunteered that she had 4 miscarriages between the births of her sons, & that had been very difficult.

She talked a lot about the fact that her mother joined the DAR very early (through the St.Clair family line & possibly also the Barneys). Dorothy & her sisters Gertrude & Mertice also were members. She said they also belonged to an even earlier order, "Daughters of...." but couldn't remember what that was. She said the Barneys were among the first settlers at Jamestown, VA.

One of her relatives was married to Sir William ...., who was the organist at Westminster Abbey. Through them, she was presented to the Queen Mother Elizabeth & to Queen Elizabeth.

She talked a lot about the Barneys, some of whom are buried near Guilford Center in lower VT. One of them was a Capt. John Barney. She visited the site once when attending the Marlborough Festival. She wrote a very amusing essay about that visit (copy in file courtesy of Meredith St.Clair Lusby.)
She didn't recognize the names of any of her Barney cousins that I mentioned--Nell McEachron, for instance. However she does know Louise King Snyder, & spoke of driving her mother to Jackson to visit Uncle John & Aunt Lillian King when she & Louise were both young. She said they talk on the phone occasionally & exchange notes at Christmas.

Her health is very poor & she said that she is at present under the care of a physician. She said she couldn't have anything like a possible visit from us on her mind just now, but that she was gathering information to send me. She mentioned that she had a photograph of John King & George--I am quite sure she meant the first John King & his son George--that she would send me. I offered to send her copies of several things I have related to her mother, but she was not interested. I had the feeling she was tired, so I ended the conversation as quickly as I could. She sounds like quite a lady indeed and I hope I get a chance to meet her, or at least to have access to her family materials.

WIFE - Nell Eva Annis NICHOLSON-5191

Originally named Nellie. Prefers to be called "Nell"

Carries two King family names: Nell/Nellie/Ellen extends back at least as far as the sister of her great-grandmother, Nellie Greenwood Hilton (RIN# 182); Each generation of Kings since Hannah Hilton (Nellie's daughter) married John King has had at least one Ellen or Nell: Ellen M. King Porter Baird, daughter of John & Hannah, usually called Nellie; Nellie Barney, daughter of Eliza King & M.S. Barney; Nellie King Kelly Hart, daughter of Willie P. & Mary King; Nell McEachron, daughter of Antoinette Barney & Ray Nicholson; Nellie Rosina Smith, daughter of Alice Barney & Orrin Smith and Ruth Ellen King, daughter of George & Rena King, to name just a few.

Annis or Annes King (RIN#1124) was the sister of her great-grandfather, John King. [This is documented in a letter from Nellie Greenwood Hilton, mother of John's wife Hannah]. Nell's grandmother, Elizabeth Annis King, was no doubt named for that aunt. Nell in turn was no doubt given the name in tribute to her grandmother. Others with the name: Merle Annis Bushnell, daughter of Clara Barney & Jackson Bushnell; Annis Marie Smith, grandddaughter of Alice Barney & Orrin Smith.

In telephone conversation on 23 Feb 1995, she related that she remembers her grandfather, M.S. Barney, and likes to recount that she actually sat on the knee of a veteran of the Civil War. She was three years old when he died.

She is an accomplished pianist, and over the years had "what seems to be hundreds of piano students." Currently plays for the Senior Citizens and with friends for amusement. She says she also "fiddles" a little, and has been known to thump the string bass.

Her interests include doing watercolors, reading, crossword puzzles, hunting arrowheads, playing bridge and gardening.

WIFE Elizabeth Grace "Bettee" NICHOLSON-5193 Yr of Birth 1924

HUSBAND - Kenneth Allen ENES-5517
Doc: Family rec.

Death/Burial: Died unexpectedly of a heart attack while he & his wife were visiting their granddaughter. Was cremated, ashed will be interred in Byron Cemetery & a memorial service held there.

Nell McEachron wrote, April 6, 1995 " Bettee's husband was well loved by many people--he was a friend to everyone, and if he could help someone, it just made his day. He was a western cowboy & I am enclosing a copy of a poem his daughter Alana wrote as tribute to him & it will be read at his funeral memorial." The poem reads:

THE RIDE

The cowboy rode a moonbeam
to a distant star last night:
His chaps and spurs were quiet
As he galloped through the night.

Roundup time was over;
He knew that time would come;
When cowboys ride that last big ride
Beyond the shining sun.

He kissed his wife and children,
In his heart he said goodbye;
Some say his life is over,
They know he is nearby.

His friends that went before him,
Are there to lead the way;
They tell him how they've missed him,
Rejoicing on this day.

Don't cry for this old cowboy,
He's passed the final test,
The Big Boss called him home tonight;
To find his final rest.
